This specification, which is sent for your information, has been prepared by us as accurately as possible, based on our knowledge and experience at the time of creation and publication. Aspects such as raw material fluctuations (season, harvesting area, etc.), availability and legislation can influence certain product characteristics. With the aim of achieving product quality that is as constant as possible, we reserve the right to change the product composition. In this context, if the composition of our product forms the basis for an important decision with regard to further processing, it is advisable to contact us regarding the latest applicable specification. When ordering the item you agree with the product specification provided.
